---

## BLUETOOTH CONNECTION INSTRUCTIONS

---

1. First, connect the mirror to the power supply.
2. On your smartphone, enable the Bluetooth function and select the device named "ARTALO" or "AD" from the list of found devices.
3. If the Bluetooth speaker requires a PIN code for pairing, enter the PIN: 0000 (alternatively: 1111).
4. After connecting to the "ARTALO" or "AD" speaker, you will hear a sound confirming the connection with your smartphone.

Thank you for  
choosing  
our product.
